**Checkpoint 3** **Sprint C** 12-05-2022 

Did my job at a proper level

still good presentations, nice ideas

Tries to be more involved and catch up with his assigned tasks.  
Good direction!

He spent 2 sprints to do his use cases even though his use cases

no idea if he has done his part, hasnt shared any his work

**Checkpoint 2** **Sprint B** 14-04-2022 

Did not do my job at a proper level

evading work.... didnt finish his part in the sprint

Sometimes it is difficult to work with him. He has a good eye for UI design and presentations but there is more than one valid approach!

Made a presentation and did nothing else.

hasnt done anything

Really opinionated guy. He should be more agreeable. And he should be present in all group meeting. He missed one group meeting. We made the presentation on that meeting. He complained about the prese... [Read more](#)
